MESSAGE FROM THE PRESIDENT

What a great year we have had at the Satellite City BMX Club; riders and spectators have enjoyed race meets such as Race for a Place, Dash for Cash and then, the Satellite City BMX Club hosted the Sterling NT 2017 BMXNT Titles. The 2017 race season is now coming to an end.

- **Track update:** Our race calendar has two race meets left; one this Friday (17 November) and one next Friday (24 November). About a week or so ago, Palmerston experienced the first real storm for the 2017/18 wet season; it was great for our gardens but not so great for the track. We were not prepared for a storm like that so early in the wet; so unfortunately, there were no covers over the berms that are exposed to the torrential rain. That storm rutted out the 1st and 3rd berm.

Work has been done to make good the berms however, whilst the 3rd berm is repaired and ready to go, the 1st berm is half repaired and needs a roll. I sincerely apologise but the track is not ready for this weeks club meet; to that end, it is cancelled.

I hope to get down the track on Saturday 18 November at about 10am to finish the berm; if you feel like throwing dirt around and screeding, then by all means, pop on down – many hands make light work!

We will definitely host the last race meet for the 2017 race year on Friday 24 November; hope to see you there.

- **Christmas Party:** This year, the Christmas Party will be held at the Palmerston Swimming Pool, Tilston Avenue, Moulden. Check out our Facebook page and internet site for further details. The fun begins at 3.30pm on Sunday 3 December.
- **AGM:** This years AGM will commence at 4.00pm on Sunday 3 December at the meeting room at the Palmerston Swimming Pool (same location as the Christmas Party). Everyone is welcome to attend at the AGM. More importantly, all positions are vacated at the AGM and the 2018 Management Committee will be voted in. Detailed job descriptions can be found at: http://www.satellitecitybmxclub.com/uploads/2/2/0/9/22090604/management_committee_-_job_descriptions.pdf If you think someone should be on the Committee and hold a position; nominate them. If you think that you would like to be on the Committee, nominate yourself and have someone second you. Committee positions are not automatically rolled over from 2017 to 2018. You only have to hold a volunteer licence (which is free) to be on the Management Committee. Nomination forms can be found at: http://www.satellitecitybmxclub.com/uploads/2/2/0/9/22090604/agm_-_committee_positions_and_nomination_form_2018.pdf

- **Anthony Dean Coaching Clinic:** Great news for BMX riders in the Territory. Anthony Dean, the 2016 USA BMX Grands winner and Olympian will be providing BMX coaching on 6 January 2018 at the Satellite City BMX Club. The cost for the coaching session will be \$60 ea. The two hour session will include an insight on Anthony Dean and what drives him to succeed at BMX, Q&A opportunities, track skills, one on one and much more. Anthony will be assisted by elite level 2 coach Dale Percy from BMXA. Each participant will receive a small bag of goodies from Anthony; no one will leave disappointed. Further details, payment methods and scheduled time slots will appear on our Facebook page and internet site soon.

I hope to see as many of you as possible for our last race meet; I am cognisant of the time of year and recognise that there are plenty of competing priorities – but still hope to see you there ☺ Also, I look forward to seeing as many of you as possible at the Christmas Part at 3.30pm on Sunday 3 December 2017.

Daniel Shean
President
Satellite City BMX Club
